

## Business Intelligence Analyst Intern

**Freedom Solar** is the longest-running and largest solar installer in the state of Texas. Founded in Austin in 2007, Freedom Solar now serves every corner of Texas, Denver, and Colorado Springs. Our reputation in both residential and commercial solar is based on our dedication to quality and service.

At Freedom Solar, our mission is to empower everyone to get clean, affordable, and reliable energy from the sun. We take great pride in living by these 6 principles every day:

- Pride in Quality Craftsmanship
- Go Above and Beyond
- Put People First
- Have a Humble Heart
- Give a Damn
- Shoot Straight

Our mission is the heart of who we are. It's a part of why we've been voted Best Places to Work in 2019 and 2020 by the Austin Business Journal! We are experiencing rapid growth. In the past year, we have added **over** 200 new jobs throughout Texas and opened two brand new locations in Colorado. We are spreading the Solar Revolution!
